

## **LAW LIBRARIANSHIP AWARD RECIPIENTS**

The MALL Law Librarianship Award is presented for outstanding continual contributions and service to the Association. Generally, award recipients are long-time members of MALL who have, through their tenure, generously participated in Association activities. Examples of such activities are committee participation; leadership (as committee chair or Association officer); teaching and instruction; recruiting opportunities; or other various ways which forward and promote MALL and Minnesota law librarianship. This award may be given as a MALL lifetime achievement award. Nominations may be made by any MALL member.
